Subject: Request for Reclamation Contract, Map, and Surety, State Stone, Torrey Buff - Red, S/055/021, Wayne County, Utah

Dear Mr. MacKay:

On August 17, 2005, we received an initiation of telephone conversations from Dennis to provide guidance for completion of the reclamation contract and surety bond process for your Torrey Buff-Red site. Please submit a draft reclamation contract and map(s) via facsimile (801-359-3940, attn. Beth Ericksen) for review.

To date, the surety documents have not been received from Chase Bank. Please ask your bank representative to submit the CD agreement letter in draft form via facsimile for our review. We will then place the CD agreement letter on Division letterhead. The original CD agreement letter signature page, the original CD, and an administrative hold letter needs to then be forwarded to this office. Approval of your mining project cannot occur without the reclamation contract, associated maps and surety.

Please submit the drafts of the reclamation contract and CD agreement letter by September 26, 2005.

Please contact me at (801) 538-5258 or Minerals Surety Coordinator, Beth Ericksen, (801) 538-5318 if you have questions regarding this letter. In reply, please refer to file number S/055/021.

Sincerely,
